

Air Enterprises
www.airenterprises.com
 All aluminum custom air handling units for FactoryBilt® or SiteBilt® applications.

Mitsubishi Electric Cooling & Heating
www.mitsubishipro.com
 Variable refrigerant flow (VRF), split systems, and dedicated outside air systems.

Multistack
www.multistack.com
 Water and air-cooled chillers, heat recovery chillers, modular chillers, and heat pumps.

Munters
www.munters.com
 Desiccant dehumidification systems for temperature and humidity control.

Twin City Fans & Blowers
www.tcf.com
 Fans and blowers for commercial, industrial, laboratory and fume hood exhaust applications.

Generac
www.generac.com
 Commercial and industrial generators and transfer switches.

Aero Tech
www.aerotechmfg.com
 Hot water radiant ceiling panels with the option for factory installation.

Asco
www.asco.com
 Power transfer switches.

AuraGreen by Multistack
www.multistack.com
 Fixed plate energy recovery ventilators with sensible and latent heat transfer.

Desert Aire
www.desert-aire.com
 Refrigerant-based dehumidifiers, pool room units, and dedicated outdoor air units.

DriSteem
www.dristeem.com
 Humidifiers, evaporative cooling, and water treatment systems.

Heatcraft
www.luvata.com/heatcraft
 Water, steam, and refrigerant coils for a variety of applications.

Krueger
www.krueger-hvac.com
 Fan coils, blower coils, catalog air handling units, terminal devices and VAV boxes.

Lossnay by Mitsubishi
www.mitsubishipro.com/products/city-multi-vrf/ventilation
 Fixed plate energy recovery ventilators.

MAFNA
www.mafna.com
 Custom designed HVAC equipment and air handling solutions.

NIMBUS
www.nimbus.cool
 Hybrid adiabatic coolers.

Paragon Controls
www.paragoncontrols.com
 Airflow and pressure measurement and space pressure monitors.

Phoenix Controls
www.phoenixcontrols.com
 Precision airflow control systems for use in critical room environments.

SBB
www.sbbinc.com
 Equipment, ceilings, and walls for clean-rooms and controlled environments.

Seasons-4 www.seasons4.net
 Custom HVAC systems, direct rooftop unit replacements, multizone units, and low dewpoint systems.

SEMCO
www.semco.com
 Energy recovery units, desiccant-based products, chilled beams, panel/duct systems.

Systecon
www.systecon.com
 Modular central plants, indirect evaporative cooling, and pump packages.

Tecogen
www.tecogen.com
 Combined heat and power equipment and natural gas heat pumps.

Toxalert
www.toxalert.com
 Gas detection systems to monitor the levels of all types of gases.

Tutco
www.tutco.com
 Electric duct heaters.

APPLICATIONS

APPLICATION	MANUFACTURER	APPLICATION	MANUFACTURER
100% Outdoor Air Units	AuraGreen	Evaporative Cooling	DriSteem
	Desert Aire		Munters
	Lossnay		Systecon
	Mitsubishi		Twin City Fans
Adiabatic Cooling Air Handling Units	SEMCO	Fans & Blowers	Krueger
	NIMBUS	Fan Coils	SBB
	Air Enterprises	Fan Filter Units	NIMBUS
	MAFNA	Fluid Coolers	Phoenix Controls
	Seasons-4	Fume Hood Controls	Toxalert
Airflow Control Systems	SEMCO	Generators	Generac
	Phoenix Controls	High Temp Energy Recovery	Munters
Airflow Monitoring	Paragon Controls	Humidifiers	DriSteem
Blower Coils	Krueger	Humidifiers - Ultrasonic	Humidifirst
Central Plants	Systecon	Multizone Units	Seasons-4
Chilled Beam	SEMCO	Pump Packages	Systecon
Chillers	Multistack	Pool Dehumidification	Air Enterprises
Cleanrooms	SBB	Process Isolation	Desert Aire
Coils – Water, Steam, DX	Heatcraft		SBB
Coils – Electric	Tutco	Radiant Panels	Aero Tech
Condensing Units	Multistack	Relief	Twin City Fans
Combined Heat and Power	Tecogen	Rooftop Units	Seasons-4
