

Air Enterprises
www.airenterprises.com
 All aluminum custom air handling units for FactoryBilt® or SiteBilt® applications.

Vertiv
www.vertivco.com
 Critical power & thermal management, DCIM software & IT infrastructure solutions & service supporting data center, communication network & mission critical commercial and industrial applications.

Mitsubishi Electric Cooling & Heating
www.mitsubishiipro.com
 Variable refrigerant flow (VRF), split systems, and dedicated outside air systems.

Munters
www.munters.com
 Desiccant dehumidification systems for temperature and humidity control.

Twin City Fans & Blowers
www.tcf.com
 Fans and blowers for commercial, industrial, laboratory and fume hood exhaust applications.

Generac
www.generac.com
 Commercial and industrial generators and transfer switches.

Aero Tech www.aerotechmfg.com
 Hot water radiant ceiling panels with the option for field installation services.

Alber www.alber.com
 Testing and Monitoring Equipment & Software for the standby battery market.

Avocent www.avocent.com
 IT Management Hardware and Software enabling true, real-time, integrated monitoring, access and control.

Asco www.asco.com
 Power transfer switches and surge protection.

Desert Aire www.desert-aire.com
 Refrigerant-based dehumidifiers, pool room units, and dedicated outdoor air units.

DriSteem www.dristeem.com
 Humidifiers, evaporative cooling, and water treatment systems.

Haskris www.haskris.com
 Process and medical device chillers.

Heatcraft www.luvata.com/heatcraft
 Water, steam, and refrigerant coils for a variety of applications.

Liebert www.vertivco.com
 Critical AC Power, Thermal Management & Integrated IT Infrastructure Solutions

Lossnay by Mitsubishi www.mitsubishiipro.com/products/city-multi-vrf/ventilation
 Fixed plate energy recovery ventilators.

MAFNA www.mafna.com
 Custom designed HVAC equipment & air handling solutions.

Nidec www.emersonindustrial.com
 Variable frequency drives (VFDs).

Netsure www.netsure.com
 Critical DC Power

NIMBUS www.nimbus.cool
 Hybrid adiabatic coolers.

Paragon Controls www.paragoncontrols.com
 Airflow and pressure measurement and space pressure monitors.

Phoenix Controls www.phoenixcontrols.com
 Precision airflow control systems for use in critical room environments.

PDU Cables www.pducables.com
 Prefabricated Data Center Power Distribution cable assemblies and AirGuard Cable Seals.

Rapid Engineering www.rapidengineering.com
 Heating and makeup air units for commercial and industrial applications.

SBB www.sbbinc.com
 Equipment, ceilings, and walls for cleanrooms and controlled environments.

Seasons-4 www.seasons4.net
 HVAC systems, direct rooftop unit replacements, multizone units, & low dewpoint systems.

SEMCO www.semco.com
 Energy recovery units, desiccant-based products, chilled beams, panel/duct systems.

TecoChill www.tecogen.com
 Natural gas engine-driven chillers.

Tecogen www.tecogen.com
 Combined heat and power equipment and natural gas heat pumps.

Subzero www.subzero.com
 Custom Design Data Center Containment and Airflow Management solutions.

Toxalert www.toxalert.com
 Gas detection systems to monitor the levels of all types of gases.

Trellis www.trellis.com
 Data Center Infrastructure Management (DCIM) Software.

Tutco www.tutco.com
 Electric duct heaters.

APPLICATIONS

APPLICATION	MANUFACTURER	APPLICATION	MANUFACTURER
100% Outdoor Air Units	Desert Aire	Fans & Blowers	Twin City Fans
	Lossnay	Fan Filter Units	SBB
	Mitsubishi	Fluid Coolers	NIMBUS
	SEMCO	Fume Hood Controls	Phoenix Controls
Adiabatic Cooling	NIMBUS	Gas Detection	Toxalert
Air Handling Units	Air Enterprises	Generators	Generac
	MAFNA	High Temp Energy Recovery	Munters
	Seasons-4	Humidifiers	DriSteem
	SEMCO	Humidifiers - Ultrasonic	Humidifirst
Airflow Control Systems	Phoenix Controls	IT Management	Vertiv/Avocent
Airflow Monitoring	Paragon Controls	Multizone Units	Seasons-4
Battery Monitoring	Vertiv/Alber	Overhead Busway	Vertiv/Liebert
Chilled Beam	SEMCO	Pool Dehumidification	Air Enterprises
Cleanrooms	SBB		Desert Aire
Coils – Water, Steam, DX	Heatcraft	Power Conditioning	Vertiv/Liebert
Coils – Electric	Tutco	Process Isolation	SBB
Custom Field Built AHU's	Air Enterprises	Racks/Cabinets	Aero Tech
Datacenter Cooling	Vertiv/Liebert	Rack PDU	Vertiv/Liebert
Datacenter Power	Vertiv/Liebert & Vertiv/Netsure	Radiant Panels	Vertiv/Liebert
Dehumidification	Desert Aire	Relief	Twin City Fans
	Munters	Rooftop Units	Seasons-4
	Seasons-4	Silencers	SEMCO
	SEMCO	Space Pressure Controls	Paragon
DCIM Software	Vertiv/Trellis	Split Systems	Vertiv/Liebert/Mitsubishi
Energy Recovery Units	Desert Aire	Transfer Switches	ASCO
	Lossnay		Generac
	Mitsubishi	UPS	Vertiv/Liebert
	Munters	Variable Refrigerant Flow	Mitsubishi
	SEMCO	Variable Speed Drives	Nidec Corporation / Emer
Evaporative Cooling	Munters	Water Treatment	DriSteem
